Email pbyoffice@gmail.com

We anticipate having social gatherings for certain Presbytery meetings beginning in the fall of 2021. Our check list is very specific with most details. A lot of the details have the potential of being revised depending on the social gathering in place at that time issued by CDC regarding COVID.

We currently anticipate meetings in October and November being held as social gatherings.

We will revise this document as we approach the fall with check list items which will meet any restrictions that might be in place at that time.
